### ASSESSMENT:

## **Risk Assessment**

UIC continues to monitor risks previously identified in the annual risk assessment while monitoring the institution and environment for emerging issues.

UIC has begun implementation of the OneTrust GRC tool in coordination with the other UNT System Enterprise compliance offices and System IT Information Security. Implementation was briefly paused as we worked out an agreement on risk assessment process with the Chief Enterprise Risk Officer. That agreement was reached, and we are restarting implementation meetings.

UIC is currently scheduling risk assessment meetings with relevant university partners and will be introducing aspects of the new GRC tool during the assessment phase.

## **Policies and Procedures**

UNT continues to review policies on a regular basis to ensure they incorporate changes in law and regulation and accurately reflect current business practices. Currently, 50 policies are in the review process, 31 of which are overdue for update. Those 31 policies contain a large percentage of policies with very technical subjects, such as research intellectual property, or that are impacted by changes in law.

## **Training and Communications**

Completion percentages for the four required training modules remain high, all at or over 98% for faculty, 98% for staff, and 93% for student employees. Student employee training shows the most improvement, up over 4% from last quarter, joining a 3% increase in faculty training completion. This improvement is credited to managers following up with employees based on UIC providing information on division completion percentages. UIC will continue to monitor training percentages, but the current numbers approach realistic maximums.

Development continues on the revision to the Code of Conduct for UNT employees. This revised version of the Code will be more user friendly and modern, with an attractive interface and ease of use improvements. The Code will also incorporate the UNT System values in a comprehensive manner. The Code was scheduled for a soft launch in May 2023, but workload considerations forced a delay. A draft has been completed and is currently being formatted for online delivery. I anticipate the Code to be completed by December 2023.

## **Reporting and Accountability**

The OneTrust Convercent online anonymous reporting system has been implemented and is operating. So far, we are very pleased with the additional functionality and capabilities of this system compared to our older system. Convercent has improved ability to assign multiple issues contained within the same report to different investigating offices and provides better tracking and automation tools as well. We are familiarizing our investigatory partners with the system and hope to expand their ability to leverage the tool for investigation tracking and reporting.

UIC received 17 reports for the 3rd quarter, which is a substantial decrease from the 33 reports received in the 2nd quarter. I do not believe the lower numbers are cause for alarm, but we will continue to monitor and evaluate our reporting function across the institution.

## **Autonomy and Resources**

UIC requested and received additional funding to enhance its ability to conduct investigations. In addition to the additional budget funding provided for training current personnel as described below under Investigations of Misconduct, UIC will receive funding for an additional FTE which will be dedicated to supporting the monitoring and investigation efforts of the office. Overall, funding for the office has been increased by 10%.

### **Periodic Testing and Review**

UIC is conducting testing and reviews of three processes across campus in the areas of visiting scholars, H1B visas, and scholarships.

### **Investigations of Misconduct**

UIC has also enhanced its abilities to conduct investigations over the last few quarters. Two UIC team members, Toni Sorsdal, Compliance Manager and Asa Johnson, Integrity Officer, have received comprehensive training on conducting investigations. Both have assisted with investigations over the last year under the direction of the Chief Integrity Officer and can lead investigations on their own. Additional UIC employees have received cross-training as investigators and will be employed as co-investigators, when necessary. UIC personnel are also improving internal procedural documentation to guide performance of these investigations. These documents will be reviewed with UIC partners and OGC, and subject to continual review as UIC gathers experience conducting investigations on campus.

## **ASSESSMENT:**

### **Training and Communication**

New Employees must complete their mandatory training within 30 days of hire. The new employee training completion rate was **60%** for the third quarter.

Each year, HSC employees affirm their understanding of the ethical standards and policies through education and training. The Integrity Education Suite was launched April 19<sup>th</sup> and will run through July 19, 2023. Within the first 42 days of launch, **62%** of employees completed their training with incentives for the first 20 people that completed their education modules.

In the last quarter report, we discuss a new communications tool that will enhance engagement and track the effectiveness of communication from the Office of Integrity and Awareness. This tool provides metrics on click and open rates for the email communication. We will be utilizing this information to measure program effectiveness and the correlation to behavioral changes in integrity culture and risk.

### **Reporting and Accountability**

The Office of Institutional Integrity and Awareness has added data analytics to the Code of Culture. The Drive Analytics solution helps to assess the effectiveness of the information and policies within the Code and what information is being accessed often to provide insight for training and communication strategies. The first results are based on the previous 2 quarters. The reports provide information such as unique visit and traffic to the Code, repeat visits, areas where there is the most focus and policy review. The key insights from this report included:

- HSC has experienced good Code traffic
- Early pages in the Code tend to see more visits than later pages
- Some visitors to your Code skip to the end.
- Training sessions traffic saw more engagement, but organic traffic sessions were longer.
- The interactive elements in HSC's digital Code are proving useful.
- Digital Code traffic indicates areas of interest and/or concern for the audience.

HSC will consider recommendations from the reports on an ongoing basis.

### **Periodic Testing and Review- HIPAA/Privacy**

The HSC HIPAA Privacy Audit final report was issued by BerryDunn. There were 94 checkpoints- 71 fully compliant, 6 partially compliant, 0 non-compliant and 15 non -applicable. The key questions for assessment were:

- *Does HSC have written policies and procedures or other appropriate documentation that supports compliance with the standard?*
- *Is HSC abiding by, enforcing, and/or practicing that which is documented in policies and procedures or other documentation?*
- *Do HSC's practices and/or enforcement, whether documented or not, represent reasonable and appropriate safeguards to comply with the standard?*

The finding included updates needed to the Notice of Privacy Practices and to the HSC Privacy Policy. The finding also discussed education and processes need for Audiology and Speech Language Pathology Clinic on the Denton campus.

## **Investigations of Misconduct**

The compliance and integrity program must have an efficient and trusted mechanism by which employees and students can anonymously or confidentially report allegations of a breach of the company's code of conduct, policies, or suspected or actual misconduct. HSC encourages employees and students to report any suspected compliance concerns. FY23 third quarter yielded **6** Trustline calls. Issue types reported included discrimination/harassment; policy violations and academic concerns. 66% of the cases were closed. Last quarter it was reported that the Trustline vendor was changed; all cases from the old system were successfully transferred to ensure continuity and confidentiality of the reports.

## Glossary of Terms

All Funds – An all-funds perspective is commonly used in colleges, universities, and not-for-profit organizations to account for all resources received and used throughout an institution. Fund accounting classifies resources into funds according to limitations placed on their use by the resource providers. Each fund has its own revenues, Expenses, transfers, assets, liabilities, and fund balances.

Auxiliary Enterprises – Auxiliary Enterprise funds are generated from fees and sales of goods and services. Revenues and Expenses of auxiliaries are recorded in this fund group. Auxiliaries include parking and transportation, student activity centers, housing (residence halls), and dining services. Fees collected to support auxiliaries, such as housing fees and parking fees, are recognized in these funds.

Capital Appropriations-HEF – Higher Education Fund (HEF) revenues are received from the State of Texas General Revenue Fund for construction and other capital purposes. This constitutional appropriation is made for acquiring land with or without permanent improvements, constructing and equipping buildings or other permanent improvements, major repair or rehabilitation of building or other permanent improvements and acquisition of capital equipment, library books, and library materials. Construction, improvements, and capital equipment purchases made from HEF funds can only be used for structures used jointly for educational and general activities and for auxiliary enterprises to the extent of their use for educational and general activities.

Capital Expenses – These Expenses are for acquiring, renovating, or maintaining capitalized fixed assets, such as land, buildings, and equipment. This includes amounts expended for capitalized equipment, vehicles, software, leases, construction projects, and other capitalized Expenses. Any emergency maintenance or repairs that are above the capitalization thresholds should be included in capital Expenses. At the consolidated funds level, this amount will net to exclude amounts recorded as additions to capital (rather than as an expense) consistent with accounting guidelines.

Communication and Utilities – These Expenses are for communication and utilities fees, including amounts for telecommunication and utilities contracts.

Cost of Goods Sold – These Expenses are incurred by UNTS for goods that are sold, which usually generate revenue classified as Sales of Goods and Services.

Current Funds – Category of funds that include those funds that are most closely associated with day-to-day operations of the institution. These funds include Education & General, Designated Operating, Auxiliary Enterprises, and Restricted Expendable Funds and are approved by the governing board as part of the operating budget.

Debt Service - Interest – These Expenses are comprised of interest Expenses incurred on debt, including amounts for interest Expenses, and fiscal charges.

Debt Service - Principal – These Expenses comprise payments of principal due on debt.

Depreciation and Amortization – Depreciation and amortization Expenses are non-cash Expenses related to the amortization of capitalized amounts over time. Depreciation Expenses reduce the book value of capital assets to reflect the result of wear and tear, age, and/or obsolescence. Depreciation and amortization Expenses are generally recorded in Plant & Debt Funds.

Designated Operating – Designated Operating funds are unrestricted funds that have been designated to support the operating activities of the institution. Revenues and Expenses for operating activities of the academic enterprise are recorded in this fund group.

The sources of Designated Operating funds include revenues from professional services (e.g., medical services), grants and contracts (including cost recovery), designated tuition, other student fees, and quasi-endowment funds (e.g., Tobacco Funds).

Student fees collected as Designated Operating funds may be statutorily authorized under specific legislation, or may be allowable as mandatory or incidental fees under 54.504 or 55.16(c) of the Texas Education Code (TEC). Fees in Designated Operating funds include instructional fees, library use fees, publication fees, international education fees, and technology fees.

Most athletics revenues and Expenses are recorded in Designated Operating funds.

Discounts and Allowances – Discounts and allowances are defined as the difference between the stated charge to the student and what is actually paid by the student and/or third parties on behalf of the student. Discounts and allowances are generally given as institutional merit-based and/or need-based scholarships to offset the cost of tuition, fees, and/or housing and dining Expenses.

Educational and General – Educational and General (E&G) funds are used to support the University of North Texas System (UNTS) general educational operations, including faculty salaries, operating Expenses of instructional departments, library operations and acquisitions, general administration, student services, campus security, and operation and maintenance of educational and general buildings and facilities, as well as a limited number of special research units. E&G funds may only be expended for purposes as defined by the respective sources of funds; and the funds cannot be transferred to any other fund group.

E&G funds include all general revenue and general revenue-dedicated state appropriations. Biennially, in the General Appropriations Act (GAA), universities are allocated (appropriated) funds based on legislative decisions and formulas calculated by the Texas Legislative Budget Board. These appropriations include general revenue funds (e.g., appropriations for employee benefits and Texas Higher Education Fund appropriations for capital investments) and general revenue-dedicated funds (e.g., statutory and Board-authorized tuition and fees).

Appropriations of federal funds and other funds (e.g., Tobacco Funds) are not considered E&G and are recorded separately in designated operating or other funds.

The chart of accounts segregates E&G funds between General Operating Funds (general revenue-dedicated appropriations for statutory and Board-authorized tuition and fees) and State Appropriations (all other appropriations).

Endowment Funds – Endowment Funds include net income (realized and unrealized gains and losses) from the investment of gifts to the university, the uses of which are either restricted by donors or unrestricted. Endowment Funds may also include investment income from funds designated by administrative decision (quasi-endowment).

Defined amounts of income from the Endowment Funds are distributed to Designated Operating funds, Auxiliary Enterprises funds, and Restricted Expendable funds according to the designations of the respective donors. Endowment Funds do not include those of separately-incorporated foundations. Funds not distributed remain in the Endowment Funds to be invested and expended at a later time.

Fees – This consists of revenues generated from fees assessed to students. The fees are categorized as either instructional fees, mandatory fees (e.g., student service fee, intercollegiate athletics fee, library use fee, etc.), or incidental fees (e.g., lab fees, graduation fee, etc.).

Fund Balances – A fund balance is identified as the net difference between a fund's assets and liabilities. A change in fund balance represents the difference between fund additions (revenues and transfers-in) and deductions (Expenses and transfers-out). This differs from (but is inclusive of) institutional operating reserves which are funds within the unencumbered balance for which no use is presently planned and have been set aside for issues such as economic uncertainties, future apportionments, pending salary or price increase appropriations, etc. These reserves can include unrestricted-undesignated fund balances, and can also include unrestricted-designated fund balances, but should not include funds set aside for future capital replacement needs, future debt service needs, etc.

Gift Income – This includes amounts for operating and non-operating purposes. Gift income may occur in any fund group except E&G funds for which the donor may or may not set restrictions on use of the funds.

Grants and Contracts – These revenues result from grants, contracts, and cooperative agreements with governmental agencies, local, and private organizations for current operations, research or other specified purposes. This includes revenues from federal programs and contracts, federal financial aid, federal pass-through revenue, state programs and contracts, state financial aid, state pass-through revenue, and other grants and contracts.

Higher Education Fund (HEF) – See Capital Appropriations-HEF, above.

Inter-Fund Transfers In/(Out) – This includes all transfers between fund groups within a component unit (i.e., within a campus).

Internal Charges – This line item consists of expenses charged for services performed by one department for another within a single UNTS component (e.g., printing or advertising services performed by one department as a service for another department). These expenses will net to zero at the component level.

Internal Income – This line item consists of internal income earned by one department for services rendered to another department within a single UNTS component (e.g., printing or advertising services performed by one department as a service for another department). These revenues will net to zero at the component level.

Intra-Campus Transfers Between Funds – See Inter-Fund Transfers In/(Out) above.

Investment Income – This includes revenues received from interest and dividends, realized and unrealized gains and losses on investments, and realized gains or losses on the sale of capital assets.

Loan Funds – Loan Funds consist of amounts that are held for making loans to students. These funds are derived from a number of sources, including private and governmental gifts and grants, federal borrowing, and unrestricted allocations. Interest income, in most instances, is returned to this fund as an increase to the available fund balance.

Materials and Supplies – These Expenses relate to general supplies and non-capitalized equipment costs.

Net Professional Fees – Net Professional Fees consist of Gross Professional Fees net of Contractual Allowances and Discounts. Professional fees are generated by physician services, counseling services, business consulting services, architectural services, and endowment services provided by UNTS.

Net Tuition and Fees – Student tuition and fee revenues, net of waivers, discounts, and allowances, are included in Net Tuition and Fees. Statutory tuition is authorized under TEC 54.501 and flows to E&G funds. Board-authorized tuition is authorized under TEC 54.008 for graduate programs and also flows to E&G funds. Per TEC 54.0513, Board-designated tuition amounts are approved by the governing board of UNTS and are recorded in Designated Operating funds.

Non-Current Funds – Category of funds that include those funds that are unpredictable in nature and not as closely associated with day-to-day operations of the institution as those in Current Funds. These funds are provided in the budget as estimates, so as to show the entire anticipated financial impact of the budget on the institution. These funds include Endowment, Loan, and Plant and Debt Funds and are not approved by the governing board as part of the operating budget.

Non-resident Graduate Tuition – This consists of revenue recognized for gross tuition charges to graduate or professional students for instructional services who are **not** Texas residents.

Non-resident Undergraduate Tuition – This consists of revenue recognized for gross tuition charges to undergraduate students for instructional services who are **not** Texas residents.

Other Expenses – Other Expenses include tax Expenses; insurance Expenses; postage and shipping Expenses; dues, memberships and licenses; patent and royalty Expenses; speaking events; employee training Expenses; non-travel reimbursable Expenses; and other operating Expenses.

Other Inter-Unit Transfers In/(Out) – All other transfers of funds between UNTS component units are recorded here. This includes amounts transferred for reimbursement of special project work, various services rendered by one component to another (e.g., library services), or to pay bond payments for debt securities held by UNT System Administration for the benefit of the component units.

Other Legislative Transfers-In/(Out) – Transfers of legislative appropriations from one UNTS component to another.

Other Revenues – This includes revenues received from other activities not included above.

Other Transfers – Transfers to Other State Agencies and Other Legislative Transfers.

Other Undergraduate Tuition - This includes guaranteed tuition, tuition for repeat courses, and tuition for excess hours, and other amounts not included above.

Personnel Costs (Salaries, Wages and Other Compensation, Benefits and Other Payroll-related Costs) – These Expenses include compensation and benefits provided to faculty (including lecturers and teaching graduate students), staff (including administrators, professionals, support staff, and non-teaching graduate students), and hourly or other temporary employees (including student workers). This includes regular or periodic payments for non-regular work or services (e.g., overtime, supplemental compensation, summer compensation, and bonuses).

Planned Use of Fund Balances – Fund balances (positive or negative) that, with approval, are carried forward from the previous year's budget into the current year's budget to be used or made up throughout the FY.

Plant & Debt Funds – Plant and Debt Funds include unexpended plant funds, renewal and replacement funds, retirement of indebtedness funds, and investments in plant assets. These funds are used for the construction, renovation, and the acquisition of capital assets.

Printing and Reproduction – These Expenses relate to printing and copying Expenses paid to external vendors for printing Expenses, publications, and copying services.

Professional Fees and Services – These Expenses relate to unique services that are typically performed by professionals whose occupation is the rendering of such services exclusive of any employment by UNTS. These Expenses occur through accounts payable (i.e., rather than through payroll). Examples include consultant services; medical and veterinary; advertising fees; audit, financial and business services; legal expert services; collection agency services; architectural and engineering services; and other purchased services.

Rentals and Leases – These Expenses relate to non-capitalized lease and rental fees.

Repairs and Maintenance – These Expenses relate to non-capitalized projects, scheduled maintenance, emergency maintenance and repairs, and other non-capitalized amounts.

Resident Graduate Tuition – This consists of revenue recognized for gross tuition charges to graduate or professional students for instructional services who are Texas residents.

Resident Undergraduate Tuition – This consists of revenue recognized for gross tuition charges to undergraduate students for instructional services who are Texas residents.

Restricted Expendable – Restricted Expendable funds are generated from external sources that restrict the use of the funds. Sources of Restricted Expendable funds include restricted federal grants and contracts, restricted state grants and contracts, gifts and grants from private sources, and restricted distributions from endowments.

Restricted grant and contract funds are not earned until the terms of the agreement under which they were given have been met. FY budgets include estimates based on historical activity, but actual amounts may vary notably from year-to-year based on the timing and amounts of awards.

Gifts and grants in Restricted Expendable funds include revenues from bequests and pledges for operating purposes. These also include unrestricted gifts from private sources.

Sales of Goods and Services – This consists of revenues generated from the sales of goods and services. These revenues include those generated from athletics sales, auxiliary enterprises sales and services (net of discounts and allowances), library services, property rental revenues, clinical operations, and other sales of goods and services.

Scholarships, Exemptions, and Financial Aid – Scholarships, exemptions, and financial aid Expenses are for grants-in-aid or other financial aid payments, as well as tuition exemptions, awarded to students. This includes amounts received in revenues (e.g., federal financial aid) which are then recorded as an expenditure (as scholarships, exemptions, and financial aid) to fund tuition and fee payments.

State Appropriations – State Appropriations are revenues received from the State of Texas General Revenue Fund that supplement institutional revenue in order to meet operating Expenses such as faculty salaries, employee benefits, utilities, and institutional support. State Appropriations are split between State Appropriations-General and State Appropriations-Additional. State Appropriations may only be used for defined purposes and must be recorded in E&G funds as described above.

Transfers Between UNTS Components – Transfers between components of the UNTS that are used to fund core System Administration operations, shared services or other activities one component performs for another.

Transfers to Other State Agencies In/(Out) – This consists of transfers to other Texas state agencies.

Travel – Travel Expenses include direct Expenses for domestic and international travel and entertainment costs, as well as amounts reimbursed to employees for such incurred costs.

Waivers – Waivers are recorded as reductions to the gross tuition and fee amounts noted above.

Section 4. **INTEREST.** The Bonds shall bear interest from the dates specified in the FORM OF BONDS and in the Bond Purchase Agreement or the Official Bid Form, as the case may be, to their respective dates of maturity, at the rates, and shall be calculated on the basis and in the manner, set forth in the executed Bond Purchase Agreement, in the case of a negotiated sale, or in the Official Bid Form submitted by the highest and best bidder and accepted by the Board Representative, in the case of a competitive sale.

Section 5. **REGISTRATION, TRANSFER, AND EXCHANGE; AUTHENTICATION; BOOK-ENTRY ONLY SYSTEM.** (a) *Paying Agent/Registrar.* BOKF, NA, Dallas, Texas, shall serve as Paying Agent/Registrar for the Bonds.

(b) *Registration Books.* The Issuer shall keep or cause to be kept at the corporate trust office of the Paying Agent/Registrar so designated in the Paying Agent/Registrar Agreement (the "Designated Trust Office") books or records for the registration of the transfer, exchange, and replacement of the Bonds (the "Registration Books"), and the Issuer hereby appoints the Paying Agent/Registrar as its registrar and transfer agent to keep such books or records and make such registrations of transfers, exchanges, and replacements under such reasonable regulations as the Issuer and Paying Agent/Registrar may prescribe; and the Paying Agent/Registrar shall make such registrations, transfers, exchanges, and replacements as herein provided. The Paying Agent/Registrar shall obtain and record in the Registration Books the address of the registered owner of each Bond to which payments with respect to the Bonds shall be mailed, as herein provided; but it shall be the duty of each registered owner to notify the Paying Agent/Registrar in writing of the address to which payments shall be mailed, and such interest payments shall not be mailed unless such notice has been given. The Issuer shall have the right to inspect the Registration Books at the Designated Trust Office of the Paying Agent/Registrar during regular business hours, but otherwise the Paying Agent/Registrar shall keep the Registration Books confidential and, unless otherwise required by law, shall not permit their inspection by any other entity.

(c) *Ownership of Bonds.* The entity in whose name any Bond shall be registered in the Registration Books at any time shall be deemed and treated as the absolute owner thereof for all purposes of this Thirty-First Supplement, whether such Bond shall be overdue, and, to the extent permitted by law, the Issuer and the Paying Agent/Registrar shall not be affected by any notice to the contrary; and payment of, or on account of, the principal of, premium, if any, and interest on any such Bond shall be made only to such registered owner. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

(d) *Payment of Bonds and Interest.* The Paying Agent/Registrar shall further act as the paying agent for paying the principal of, premium, if any, and interest on the Bonds, all as provided in this Thirty-First Supplement. The Paying Agent/Registrar shall keep proper records of all payments made by the Issuer and the Paying Agent/Registrar with respect to the Bonds.

(e) *Authentication.* The Bonds initially issued and delivered pursuant to this Thirty-First Supplement shall be authenticated by the Paying Agent/Registrar by execution of the Paying Agent/Registrar's Authentication Certificate, in the form set forth in the FORM OF BONDS (the "Authentication Certificate") unless they have been approved by the Attorney General and registered by the Comptroller, and on each substitute Bond issued in exchange for any Bond or Bonds issued

under this Thirty-First Supplement the Paying Agent/Registrar shall execute the Authentication Certificate.

(f) ***Transfer, Exchange, or Replacement.*** Each Bond issued and delivered pursuant to this Thirty-First Supplement, to the extent of the unpaid or unredeemed principal amount thereof, may, at the option of the registered owner or such assignee or assignees, as appropriate, upon surrender of such Bond at the Designated Trust Office of the Paying Agent/Registrar, together with a written request therefor duly executed by the registered owner or the assignee or assignees thereof, or its or their duly authorized attorneys or representatives, with guarantee of signatures satisfactory to the Paying Agent/Registrar, be exchanged for fully registered bonds, without interest coupons, in the appropriate form prescribed in the FORM OF BONDS, in any Authorized Denomination (subject to the requirement hereinafter stated that each substitute Bond shall be of the same series and have a single stated maturity date), as requested in writing by such registered owner or such assignee or assignees, in an aggregate principal amount equal to the unpaid or unredeemed principal amount of any Bond or Bonds so surrendered, and payable to the appropriate registered owner, assignee, or assignees, as the case may be. If a portion of any Bond shall be redeemed prior to its scheduled maturity as provided herein, a substitute Bond or Bonds having the same series designation and maturity date, bearing interest at the same rate, and payable in the same manner, in Authorized Denominations at the request of the registered owner, and in the aggregate principal amount equal to the unredeemed portion thereof, will be issued to the registered owner upon surrender thereof for cancellation. If any Bond or portion thereof is assigned and transferred, each Bond issued in exchange therefor shall have the same series designation and maturity date and bear interest at the same rate and payable in the same manner as the Bond for which it is being exchanged. Each substitute Bond shall bear a letter and/or number to distinguish it from each other Bond. The Paying Agent/Registrar shall exchange or replace Bonds as provided herein, and each fully registered Bond delivered in exchange for or replacement of any Bond or portion thereof as permitted or required by any provision of this Thirty-First Supplement shall constitute one of the Bonds for all purposes of this Thirty-First Supplement, and may again be exchanged or replaced. The Authentication Certificate shall be printed on each substitute Bond issued in exchange for or replacement of any Bond or Bonds issued under this Thirty-First Supplement. An authorized representative of the Paying Agent/Registrar shall, before the delivery of any such Bond, date and manually sign the Authentication Certificate, and, except as provided in (e) above, no such Bond shall be deemed to be issued or outstanding unless the Authentication Certificate is so executed. The Paying Agent/Registrar promptly shall cancel all Bonds surrendered for transfer, exchange, or replacement. No additional orders or resolutions need be passed or adopted by the Issuer or any other body or person so as to accomplish the foregoing transfer, exchange, or replacement of any Bond or portion thereof, and the Paying Agent/Registrar shall provide for the printing, execution, and delivery of the substitute Bonds in the manner prescribed herein, and said Bonds shall be in typed or printed form as determined by the Board Representative. Pursuant to Chapter 1206, Texas Government Code, the duty of transfer, exchange, or replacement of Bonds as aforesaid is hereby imposed upon the Paying Agent/Registrar, and, upon the execution of the Authentication Certificate, the exchanged or replaced Bond shall be valid, incontestable, and enforceable in the same manner and with the same effect as the Bonds which were originally issued pursuant to this Thirty-First Supplement. The Issuer shall pay the Paying Agent/Registrar's standard or customary fees and charges, if any, for transferring, and exchanging any Bond or any portion thereof, but the one requesting any such transfer and exchange shall pay any taxes or governmental charges required to be paid with respect thereto as a condition precedent to the exercise of such privilege. The Paying Agent/Registrar shall not be required to make any such transfer, exchange, or replacement of Bonds or any portion thereof (i) during the period commencing with the close of business on any Record Date and ending with the opening of business

on the next following interest payment date, or (ii) with respect to any Bond or portion thereof called for redemption prior to maturity, within 45 days prior to its redemption date. To the extent possible, any new Bond issued in an exchange, replacement, or transfer of a Bond will be delivered to the registered owner or assignee of the registered owner not more than three business days after the receipt of the Bonds to be cancelled and the written request as described above.

(g) ***Substitute Paying Agent/Registrar.*** The Issuer covenants with the registered owners of the Bonds that at all times while the Bonds are outstanding the Issuer will provide a competent and legally qualified bank, trust company, financial institution, or other agency to act as and perform the services of Paying Agent/Registrar for the Bonds under this Thirty-First Supplement, and that the Paying Agent/Registrar will be one entity. The Issuer reserves the right to, and may, at its option, change the Paying Agent/Registrar upon not less than 120 days written notice to the Paying Agent/Registrar, to be effective not later than 60 days prior to the next principal or interest payment date after such notice. In the event that the entity at any time acting as Paying Agent/Registrar (or its successor by merger, acquisition, or other method) should resign or otherwise cease to act as such, the Issuer covenants that promptly it will appoint a competent and legally qualified bank, trust company, financial institution, or other agency to act as Paying Agent/Registrar under this Thirty-First Supplement. Upon any change in the Paying Agent/Registrar, the previous Paying Agent/Registrar promptly shall transfer and deliver the Registration Books (or a copy thereof), along with all other pertinent books and records relating to the Bonds, to the new Paying Agent/Registrar designated and appointed by the Issuer. Upon any change in the Paying Agent/Registrar, the Issuer promptly will cause a written notice thereof to be sent by the new Paying Agent/Registrar to each registered owner of the Bonds, by United States mail, first-class postage prepaid, which notice also shall give the address of the new Paying Agent/Registrar. By accepting the position and performing as such, each Paying Agent/Registrar shall be deemed to have agreed to the provisions of this Thirty-First Supplement, and a certified copy of this Thirty-First Supplement shall be delivered to each Paying Agent/Registrar.

(h) ***Book-Entry Only System.*** The Bonds sold to the Purchaser in a private placement may be subject to being held in a book-entry only system to the extent so provided in the applicable Bond Purchase Agreement.

The Bonds issued in exchange for the Bonds initially issued and delivered to the initial purchasers thereof in a competitive sale or to the Underwriters in a negotiated sale conducted as a public underwriting shall be issued in the form of a separate single fully registered Bond for each of the maturities thereof registered in the name of Cede & Co., as nominee of DTC, and except as provided in subsection (i) hereof, all of the Outstanding Bonds shall be registered in the name of Cede & Co., as nominee of DTC.

With respect to Bonds registered in the name of Cede & Co., as nominee of DTC, the Board and the Paying Agent/Registrar shall have no responsibility or obligation to any DTC Participant or to any person on behalf of whom such a DTC Participant holds an interest on the Bonds. Without limiting the immediately preceding sentence, the Board and the Paying Agent/Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any DTC Participant or any other person, other than a Bondholder, as shown on the Registration Books, of any notice with respect to the Bonds, including any notice of redemption, or (iii) the payment to any DTC Participant or any other person, other than a Bondholder, as shown in the Registration Books of any amount with respect to principal of, premium, if any, or interest on the Bonds. Notwithstanding any

other provision of this Thirty-First Supplement to the contrary but to the extent permitted by law, the Board and the Paying Agent/Registrar shall be entitled to treat and consider the person in whose name each Bond is registered in the Registration Books as the absolute owner of such Bond for the purpose of payment of principal, premium, if any, and interest, with respect to such Bond, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfers with respect to such Bond, and for all other purposes whatsoever. The Paying Agent/Registrar shall pay all principal of, premium, if any, and interest on the Bonds only to or upon the order of the respective owners, as shown in the Registration Books as provided in this Thirty-First Supplement, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the Board's obligations with respect to payment of principal of, premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. No person other than an owner, as shown in the Registration Books, shall receive a Bond certificate evidencing the obligation of the Board to make payments of principal, premium, if any, and interest pursuant to this Thirty-First Supplement. Upon delivery by DTC to the Paying Agent/Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Thirty-First Supplement with respect to interest checks being mailed to the registered owner at the close of business on the Record Date, the word "Cede & Co." in this Thirty-First Supplement shall refer to such new nominee of DTC.

(i) ***Successor Securities Depository; Transfers outside Book-Entry Only System.*** In the event that the Board or the Paying Agent/Registrar determines that DTC is incapable of discharging its responsibilities described herein and in the representation letter (as referred to in Section 24 of this Thirty-First Supplement) of the Board to DTC or DTC determines to discontinue providing its services with respect to the Bonds, the Board shall (i) appoint a successor securities depository, qualified to act as such under Section 17(a) of the Securities and Exchange Act of 1934, as amended, notify DTC and DTC Participants of the appointment of such successor securities depository and transfer one or more separate Bonds to such successor securities depository or (ii) notify DTC and DTC Participants of the availability through DTC of Bonds and transfer one or more separate Bonds to DTC Participants having Bonds credited to their DTC accounts. In such event, the Bonds shall no longer be restricted to being registered in the Registration Books in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names Bondholders transferring or exchanging Bonds shall designate, in accordance with the provisions of this Thirty-First Supplement.

(j) ***Payments to Cede & Co.*** Notwithstanding any other provision of this Thirty-First Supplement to the contrary, so long as any Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of, premium, if any, and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, in the manner provided in the representation letter of the Board to DTC.

(k) ***Notice of Redemption.*** In addition to the method of providing a notice of redemption set forth in the FORM OF BONDS, the Paying Agent/Registrar shall give notice of redemption of Bonds by United States mail, first-class postage prepaid, at least thirty (30) days prior to a redemption date to each registered securities depository and to any national information service that disseminates redemption notices. Any notice sent to the registered securities depositories or such national information services shall be sent so that they are received at least two (2) days prior to the general mailing or publication date of such notice. The Paying Agent/Registrar shall also send a notice of prepayment or redemption to the registered owner of any Bond who has not sent the Bonds in for redemption sixty (60) days after the redemption date.

Each notice of redemption, whether required in the FORM OF BONDS or in this Section, shall contain a description of the Bonds to be redeemed including the complete name of the Bonds, the Series, the date of issue, the interest rate, the maturity date, the CUSIP number, the amounts called of each maturity of the Bonds, the publication and mailing date for the notice, the date of redemption, the redemption price, the name of the Paying Agent/Registrar and the address at which the Bonds may be redeemed, including a contact person and telephone number.

All redemption payments made by the Paying Agent/Registrar to the registered owners of the Bonds shall include a CUSIP number relating to each amount paid to such registered owner.

With respect to any optional redemption of the Bonds, unless the Paying Agent/Registrar has received funds sufficient to pay the principal and premium, if any, and interest on the Bonds to be redeemed before giving of a notice of redemption, the notice of redemption may state the Board may condition redemption on the receipt by the Paying Agent/Registrar of such funds on or before the date fixed for the redemption, or on the satisfaction of any other prerequisites set forth in the notice of redemption. If a conditional notice of redemption is given and such prerequisites to the redemption and sufficient funds are not received, the notice shall be of no force and effect, the Board shall not redeem the Bonds and the Paying Agent/Registrar shall give notice, in the manner in which the notice of redemption was given, that the Bonds have not been redeemed.

Section 6. **FORM OF BONDS.** The form of the Bonds, including the form of the Authentication Certificate, the form of Assignment and the form of Registration Certificate of the Comptroller, with respect to the Bonds initially issued and delivered to the initial purchasers thereof pursuant to this Thirty-First Supplement, shall be, respectively, substantially as set forth in Exhibit B, with such appropriate variations, omissions, or insertions as are permitted or required by this Thirty-First Supplement.

Section 7. **ESTABLISHMENT OF REVENUE FINANCING SYSTEM AND ISSUANCE OF PARITY OBLIGATIONS.** By adoption of the Master Resolution the Board has established the Revenue Financing System for the purpose of providing a financing structure for revenue supported indebtedness of the University, UNT-Dallas and the Health Science Center. The Master Resolution is intended to establish a master plan under which revenue supported debt of the Financing System can be incurred. This Thirty-First Supplement provides for the authorization, issuance, sale, delivery, form, characteristics, provisions of payment and redemption, and security of the Bonds. The Master Resolution is incorporated herein by reference and as such made a part hereof for all purposes, except to the extent modified and supplemented hereby, and the Bonds are hereby declared to be Parity Obligations under the Master Resolution. As required by Section 5(a) of the Master Resolution, the Board hereby determines, in connection with the issuance of the Bonds, that (i) it will have sufficient funds to meet the financial obligations of each Participant in the Financing System (currently the University, UNT-Dallas and the Health Sciences Center), including sufficient Pledged Revenues to satisfy the Annual Debt Service Requirements of the Financing System, and to meet all financial obligations of the Board relating to the Financing System and (ii) the University, UNT-Dallas and the Health Sciences Center each possess the financial capability to satisfy its respective Direct Obligation (as defined in the Master Resolution) after taking into account the debt service on the Bonds.

Section 8. **SECURITY.** The Bonds are special obligations of the Board payable from and secured solely by the Pledged Revenues pursuant to the Master Resolution and this Thirty-First

Supplement. The Pledged Revenues are hereby pledged, subject to the liens securing the Prior Encumbered Obligations, to the payment of the principal of, premium, if any, and interest on the Bonds as the same shall become due and payable. The Board agrees to pay the principal of, premium, if any, and the interest on the Bonds when due, whether by reason of maturity or redemption. Chapter 1208, Texas Government Code, applies to the issuance of the Bonds and the pledge of the Pledged Revenues granted by the Board under this Section 8, and such pledge is therefore valid, effective, and perfected. If Texas law is amended at any time while the Bonds are outstanding and unpaid such that the pledge of the Pledged Revenues granted by the Board under this Section 8 is to be subject to the filing requirements of Chapter 9, Texas Business & Commerce Code, then in order to preserve to the registered owners of the Bonds the perfection of the security interest in said pledge, the Board agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Chapter 9, Texas Business & Commerce Code, and enable a filing to perfect the security interest in said pledge to occur.

Section 9. **PAYMENTS.** On or before each principal or interest payment date while any Bond is outstanding and unpaid, commencing on the first interest payment date for the Bonds as provided therein, the Board shall make available to the Paying Agent/Registrar money sufficient to pay such interest on and such principal of the Bonds as will accrue or mature, or be subject to mandatory redemption prior to maturity, on such principal, redemption, or interest payment date. The Paying Agent/Registrar shall cancel all paid Bonds and shall furnish the Board with an appropriate certificate of cancellation.

Section 10. **DAMAGED, MUTILATED, LOST, STOLEN, OR DESTROYED BONDS.**  
(a) ***Replacement Bonds.*** In the event any outstanding Bond is damaged, mutilated, lost, stolen, or destroyed, the Paying Agent/Registrar shall cause to be printed, executed, and delivered a new Bond of the same series, principal amount, maturity, and interest rate, and in the same form, as the damaged, mutilated, lost, stolen, or destroyed Bond, in replacement for such Bond in the manner hereinafter provided.

(b) ***Application for Replacement Bonds.*** Application for replacement of damaged, mutilated, lost, stolen, or destroyed Bonds shall be made to the Paying Agent/Registrar. In every case of loss, theft, or destruction of a Bond, the applicant for a replacement Bond shall furnish to the Issuer and to the Paying Agent/Registrar such security or indemnity as may be required by them to save each of them harmless from any loss or damage with respect thereto. Also, in every case of loss, theft, or destruction of a Bond, the applicant shall furnish to the Issuer and to the Paying Agent/Registrar evidence to their satisfaction of the loss, theft, or destruction of such Bond, as the case may be. In every case of damage or mutilation of a Bond, the applicant shall surrender to the Paying Agent/Registrar for cancellation the Bond so damaged or mutilated.

(c) ***Payment in Lieu of Replacement.*** Notwithstanding the foregoing provisions of this Section, in the event any such Bond shall have matured, and no default has occurred which is then continuing in the payment of the principal of, redemption premium, if any, or interest on the Bond, the Issuer may authorize the payment of the same (without surrender thereof except in the case of a damaged or mutilated Bond) instead of issuing a replacement Bond, provided security or indemnity is furnished as above provided in this Section.

(d) ***Charge for Issuing Replacement Bonds.*** Prior to the issuance of any replacement Bond, the Paying Agent/Registrar shall charge the owner of such Bond with all legal, printing, and other expenses in connection therewith. Every replacement bond issued pursuant to the provisions of this

Section by virtue of the fact that any Bond is lost, stolen, or destroyed shall constitute a contractual obligation of the Issuer whether the lost, stolen, or destroyed Bond shall be found at any time, or be enforceable by anyone, and shall be entitled to all the benefits of this Thirty-First Supplement equally and proportionately with any and all other Bonds duly issued under this Thirty-First Supplement.

(e) **Authority for Issuing Replacement Bonds.** In accordance with Chapter 1206, Texas Government Code, this Section shall constitute authority for the issuance of any such replacement Bond without the necessity of further action by the Issuer or any other body or person, and the duty of the replacement of such Bonds is hereby authorized and imposed upon the Paying Agent/Registrar, and the Paying Agent/Registrar shall authenticate and deliver such Bonds in the form and manner and with the effect, as provided in Section 5(f) of this Thirty-First Supplement for Bonds issued in exchange and replacement for other Bonds.

Section 11. **AMENDMENT OF SUPPLEMENT.** (a) **Amendments without Consent.** This Thirty-First Supplement and the rights and obligations of the Board and of the owners of the Bonds may be modified or amended at any time without notice to or the consent of any owner of the Bonds or any other Parity Obligations, solely for any one or more of the following purposes:

(i) To add to the covenants and agreements of the Board contained in this Thirty-First Supplement, other covenants and agreements thereafter to be observed, or to surrender any right or power reserved to or conferred upon the Board in this Thirty-First Supplement;

(ii) To cure any ambiguity or inconsistency, or to cure or correct any defective provisions contained in this Thirty-First Supplement, upon receipt by the Board of an opinion of Bond Counsel, that the same is needed for such purpose, and will more clearly express the intent of this Thirty-First Supplement;

(iii) To supplement the security for the Bonds, replace or provide additional credit facilities, or change the form of the Bonds or make such other changes in the provisions hereof as the Board may deem necessary or desirable and which shall not, in the judgment of the Board, materially adversely affect the interests of the owners of the Outstanding Bonds;

(iv) To make any changes or amendments requested by any bond rating agency then rating or requested to rate Parity Obligations, as a condition to the issuance or maintenance of a rating, which changes or amendments do not, in the judgment of the Board, materially adversely affect the interests of the owners of the Outstanding Parity Obligations;

(v) To make such changes, modifications or amendments as are permitted by Section 19(c)(vi) of this Thirty-First Supplement;

(vi) To make such changes, modifications or amendments as may be necessary or desirable, which shall not adversely affect the interests of the owners of the Outstanding Parity Obligations, in order, to the extent permitted by law, to facilitate the economic and practical utilization of Credit Agreements with respect to the Parity Obligations; or

(vii) To make such other changes in the provisions hereof, including, without limitation, extending the expiration date of the delegation of authority to issue Bonds as set forth in Section 3(e) of this Thirty-First Supplement, as the Board may deem necessary or

desirable and which shall not, in the judgment of the Board, materially adversely affect the interests of the owners of Outstanding Parity Obligations.

Notice of any such amendment may be published by the Board in the manner described in subsection (c) of this Section; provided, however, that the publication of such notice shall not constitute a condition precedent to the adoption of such amendatory resolution and the failure to publish such notice shall not adversely affect the implementation of such amendment as adopted pursuant to such amendatory resolution.

(b) ***Amendments with Consent.*** Subject to the other provisions of this Thirty-First Supplement, the owners of Outstanding Bonds aggregating a majority in Outstanding Principal Amount shall have the right from time to time to approve any amendment, other than amendments described in subsection (a) of this Section, to this Thirty-First Supplement which may be deemed necessary or desirable by the Board; provided, however, that nothing herein contained shall permit or be construed to permit, without the approval of the owners of all of the Outstanding Bonds, the amendment of the terms and conditions in this Thirty-First Supplement or in the Bonds so as to:

- (1) Make any change in the maturity of the Outstanding Bonds;
- (2) Reduce the rate of interest borne by Outstanding Bonds;
- (3) Reduce the amount of the principal payable on Outstanding Bonds;
- (4) Modify the terms of payment of principal of or interest on the Outstanding Bonds, or impose any conditions with respect to such payment;
- (5) Affect the rights of the owners of less than all Bonds then Outstanding; or
- (6) Change the minimum percentage of the Outstanding Principal Amount of Bonds necessary for consent to such amendment.

(c) ***Notice.*** If at any time the Board shall desire to amend this Thirty-First Supplement other than pursuant to subsection (a) of this Section, the Board shall cause notice of the proposed amendment to be published in a financial newspaper or journal of general circulation in The City of New York, New York once during each calendar week for at least two successive calendar weeks. Such notice shall briefly set forth the nature of the proposed amendment and shall state that a copy thereof is on file at the principal office of the Registrar for inspection by all owners of Bonds. Such publication is not required, however, if the Board gives or causes to be given such notice in writing to each owner of Bonds.

(d) ***Receipt of Consents.*** Whenever at any time not less than thirty days, and within one year, from the date of the first publication of said notice or other service of written notice of the proposed amendment the Board shall receive an instrument or instruments executed by all of the owners or the owners of at least a majority in Outstanding Principal Amount of Bonds, as appropriate, which instrument or instruments shall refer to the proposed amendment described in said notice and which specifically consent to and approve such amendment in substantially the form of the copy thereof on file as aforesaid, the Board may adopt the amendatory resolution in substantially the same form.

(e) **Effect of Amendments.** Upon the adoption by the Board of any resolution to amend this Thirty-First Supplement pursuant to the provisions of this Section, this Thirty-First Supplement shall be deemed to be amended in accordance with the amendatory resolution, and the respective rights, duties, and obligations of the Board and all the owners of then Outstanding Bonds and all future Bonds shall thereafter be determined, exercised, and enforced under the Master Resolution and this Thirty-First Supplement, as amended.

(f) **Consent Irrevocable.** Any consent given by any owner of Bonds pursuant to the provisions of this Section shall be irrevocable for a period of six months from the date of the first publication or other service of the notice provided for in this Section, and shall be conclusive and binding upon all future owners of the same Bonds during such period. Such consent may be revoked at any time after six months from the date of the first publication of such notice by the owner who gave such consent, or by a successor in title, by filing notice thereof with the Paying Agent/Registrar and the Board, but such revocation shall not be effective if the owners of a majority in Outstanding Principal Amount of Bonds, prior to the attempted revocation, consented to and approved the amendment.

(g) **Ownership.** For the purpose of this Section, the ownership and other matters relating to all Bonds registered as to ownership shall be determined from the registration books kept by the Paying Agent/Registrar therefor. The Paying Agent/Registrar may conclusively assume that such ownership continues until written notice to the contrary is served upon the Paying Agent/Registrar.

Section 12. **TAX-EXEMPTION.** The Board Representative, acting for and on behalf of the Board, shall designate those Bonds authorized to be sold pursuant to the terms of this Thirty-First Supplement that the Issuer does intend to issue in a manner such that the Bonds would constitute obligations described in section 103 of the Code.

(a) **General Covenants.** With respect to such Bonds so designated by the Board Representative, the Issuer covenants to refrain from any action which would adversely affect, or to take any action to assure, the treatment of the Bonds as obligations described in section 103 of the Code, the interest on which is not includable in the "gross income" of the holder for purposes of federal income taxation. In furtherance thereof, the Issuer covenants as follows:

(a) to take any action to assure that no more than 10 percent of the proceeds of such Bonds or the projects financed or refinanced therewith (less amounts deposited to a reserve fund, if any) are used for any "private business use", as defined in section 141(b)(6) of the Code or, if more than 10 percent of the proceeds are so used, that amounts, whether or not received by the Issuer, with respect to such private business use, do not, under the terms of this Thirty-First Supplement or any underlying arrangement, directly or indirectly, secure or provide for the payment of more than 10 percent of the debt service on such Bonds, in contravention of section 141(b)(2) of the Code;

(b) to take any action to assure that in the event that the "private business use" described in subsection (a) hereof exceeds 5 percent of the proceeds of such Bonds or the projects financed or refinanced therewith (less amounts deposited into a reserve fund, if any) then the amount in excess of 5 percent is used for a "private business use" which is "related" and not "disproportionate", within the meaning of section 141(b)(3) of the Code, to the governmental use;

(c) to take any action to assure that no amount which is greater than the lesser of \$5,000,000, or 5 percent of the proceeds of such Bonds (less amounts deposited into a reserve fund, if any), is directly or indirectly used to finance loans to persons, other than state or local governmental units, in contravention of section 141(c) of the Code;

(d) to refrain from taking any action which would otherwise result in such Bonds being treated as "private activity bonds" within the meaning of section 141(a) of the Code;

(e) to refrain from taking any action that would result in such Bonds being "federally guaranteed" within the meaning of section 149(b) of the Code;

(f) to refrain from using any portion of the proceeds of such Bonds, directly or indirectly, to acquire or to replace funds which were used, directly or indirectly, to acquire investment property (as defined in section 148(b)(2) of the Code) which produces a materially higher yield over the term of such Bonds, other than investment property acquired with -

(1) proceeds of such Bonds invested for a reasonable temporary period until such proceeds are needed for the purpose for which such Bonds are issued,

(2) amounts invested in a bona fide debt service fund, within the meaning of section 1.148-1(b) of the Treasury Regulations, and

(3) amounts deposited in any reasonably required reserve or replacement fund to the extent such amounts do not exceed 10 percent of the proceeds of such Bonds;

(g) to otherwise restrict the use of the proceeds of such Bonds or amounts treated as proceeds of the Bonds, as may be necessary, so that such Bonds do not otherwise contravene the requirements of section 148 of the Code (relating to arbitrage);

(h) to refrain from using the proceeds of the Bonds or the proceeds of any prior bonds to pay debt service on another issue more than 90 days after the date of issue of the Bonds in contravention of section 149(d) of the Code (relating to advance refundings); and

(i) to pay to the United States of America at least once during each five-year period (beginning on the date of delivery of such Bonds) an amount that is at least equal to 90 percent of the "Excess Earnings", within the meaning of section 148(f) of the Code and to pay to the United States of America, not later than 60 days after such Bonds have been paid in full, 100 percent of the amount then required to be paid as a result of Excess Earnings under section 148(f) of the Code.

The Issuer understands that the term "proceeds" includes "disposition proceeds" as defined in the Treasury Regulations and, in the case of a refunding bond, transferred proceeds (if any) and proceeds of the refunded bonds expended prior to the date of the issuance of such Bonds. It is the understanding of the Issuer that the covenants contained herein are intended to assure compliance with the Code and any regulations or rulings promulgated by the U.S. Department of the Treasury pursuant thereto. In the event that regulations or rulings are hereafter promulgated which modify or expand provisions of the Code, as applicable to such Bonds, the Issuer will not be required to comply

with any covenant contained herein to the extent that such failure to comply, in the opinion of nationally-recognized bond counsel, will not adversely affect the exemption from federal income taxation of interest on such Bonds under section 103 of the Code. In the event that regulations or rulings are hereafter promulgated which impose additional requirements which are applicable to such Bonds, the Issuer agrees to comply with the additional requirements to the extent necessary, in the opinion of nationally-recognized bond counsel, to preserve the exemption from federal income taxation of interest on such Bonds under section 103 of the Code. In furtherance of the foregoing, the Chair of the Board, the Chancellor of the University, and the Board Representative each may execute any certificates or other reports required by the Code and to make such elections, on behalf of the Issuer, which may be permitted by the Code as are consistent with the purpose for the issuance of such Bonds. In order to facilitate compliance with the above clause (i), a "Rebate Fund" is hereby established by the Issuer for the sole benefit of the United States of America, and the Rebate Fund shall not be subject to the claim of any other person, including without limitation the registered owners of such Bonds. The Rebate Fund is established for the additional purpose of compliance with section 148 of the Code.

(b) ***Allocation of, and Limitation on, Expenditures for the Project.*** The Board covenants to account for on its books and records the expenditure of proceeds from the sale of any Bonds, the interest on which is to be excluded from gross income under the Code, and any investment earnings thereon to be used for the financing of any of the improvements described and so designated in the certificate delivered in accordance with Section 2(b) hereof (referred to herein and subsection (c) of this Section as a "Project") by allocating proceeds to expenditures within 18 months of the later of the date that (a) the expenditure on a Project is made or (b) each such Project is completed. The foregoing notwithstanding, the Board shall not expend such proceeds or investment earnings more than 60 days after the earlier of (a) the fifth anniversary of the date of delivery of such Bonds or (b) the date such Bonds are retired, unless the Board obtains an opinion of nationally-recognized bond counsel substantially to the effect that such expenditure will not adversely affect the tax-exempt status of such Bonds. For purposes of this subsection (b), the Board shall not be obligated to comply with this covenant if it obtains an opinion of nationally-recognized bond counsel to the effect that such failure to comply will not adversely affect the excludability for federal income tax purposes from gross income of the interest.

(c) ***Disposition of Project.*** The Board covenants that none of the property constituting a Project financed or refinanced with the proceeds of any Bonds, the interest on which is to be excluded from gross income under the Code, or the Refunded Bonds or the Refunded Commercial Paper Notes, as the case may be, will be sold or otherwise disposed in a transaction resulting in the receipt by the Board of cash or other compensation, unless the Board obtains an opinion of nationally-recognized bond counsel substantially to the effect that such sale or other disposition will not adversely affect the tax-exempt status of such Bonds. For purposes of this subsection (c), the portion of the property comprising personal property and disposed of in the ordinary course of business shall not be treated as a transaction resulting in the receipt of cash or other compensation. For purposes of this subsection (c), the Board shall not be obligated to comply with this covenant if it obtains an opinion of nationally-recognized bond counsel to the effect that such failure to comply will not adversely affect the excludability for federal income tax purposes from gross income of the interest.

(d) ***Written Procedures.*** Written procedures have been established by the Board Representative regarding private business use, remedial action, arbitration and rebate and the

application of the covenants set forth in this Section and the written procedures shall apply to the Bonds issued as obligations described in section 103 of the Code.

(e) ***Intent to Issue Tax-Exempt Obligations.*** This Thirty-First Supplement is intended to satisfy the official intent requirements set forth in section 1.150-2 of the Treasury Regulations for projects not previously cited in prior actions of the Board establishing such intent, including, without limitation, the financing of acquisition, construction and equipping of the projects described in Schedule II, in an amount not to exceed \$130,000,000.

Section 13. **TAXABLE BONDS.** Without regard to Section 12 hereof, the Board Representative, acting for and on behalf of the Board, shall designate those Bonds authorized to be sold pursuant to the terms of this Thirty-First Supplement that the Issuer does not intend to issue in a manner such that the Bonds would constitute obligations described in section 103 of the Code and all applicable temporary, proposed and final regulations and procedures promulgated thereunder or promulgated under the Internal Revenue Code of 1954, to the extent applicable to the Code.

Section 14. **THIRTY-FIRST SUPPLEMENT TO CONSTITUTE A CONTRACT; EQUAL SECURITY.** In consideration of the acceptance of the Bonds, the issuance of which is authorized hereunder, by those who shall hold the same from time to time, this Thirty-First Supplement shall be deemed to be and shall constitute a contract between the Board and the Holders from time to time of the Bonds and the pledge made in this Thirty-First Supplement by the Board and the covenants and agreements set forth in this Thirty-First Supplement to be performed by the Board shall be for the equal and proportionate benefit, security, and protection of all Holders, without preference, priority, or distinction as to security or otherwise of any of the Bonds authorized hereunder over any of the others by reason of time of issuance, sale, or maturity thereof or otherwise for any cause whatsoever, except as expressly provided in or permitted by this Thirty-First Supplement.

Section 15. **SEVERABILITY OF INVALID PROVISIONS.** If any one or more of the covenants, agreements, or provisions herein contained shall be held contrary to any express provisions of law or contrary to the policy of express law, though not expressly prohibited, or against public policy, or shall for any reason whatsoever be held invalid, then such covenants, agreements, or provisions shall be null and void and shall be deemed separable from the remaining covenants, agreements, or provisions and shall in no way affect the validity of any of the other provisions hereof or of the Bonds issued hereunder.

Section 16. **PAYMENT AND PERFORMANCE ON BUSINESS DAYS.** Except as provided to the contrary in the FORM OF BONDS, whenever under the terms of this Thirty-First Supplement or the Bonds, the performance date of any provision hereof or thereof, including the payment of principal of or interest on the Bonds, shall occur on a day other than a Business Day, then the performance thereof, including the payment of principal of and interest on the Bonds, need not be made on such day but may be performed or paid, as the case may be, on the next succeeding Business Day with the same force and effect as if made on the date of performance or payment.

Section 17. **LIMITATION OF BENEFITS WITH RESPECT TO THE THIRTY-FIRST SUPPLEMENT.** With the exception of the rights or benefits herein expressly conferred, nothing expressed or contained herein or implied from the provisions of this Thirty-First Supplement or the Bonds is intended or should be construed to confer upon or give to any person other than the Board,

the Holders, and the Paying Agent/Registrar, any legal or equitable right, remedy, or claim under or by reason of or in respect to this Thirty-First Supplement or any covenant, condition, stipulation, promise, agreement, or provision herein contained. This Thirty-First Supplement and all of the covenants, conditions, stipulations, promises, agreements, and provisions hereof are intended to be and shall be for and inure to the sole and exclusive benefit of the Board, the Holders, and the Paying Agent/Registrar as herein and therein provided.

**Section 18. CUSTODY, APPROVAL, BOND COUNSEL'S OPINION, CUSIP NUMBERS, PREAMBLE AND INSURANCE.** A Board Representative is hereby authorized to have control of the Bonds issued hereunder and all necessary records and proceedings pertaining to the Bonds pending their delivery and approval by the Attorney General. The Board Representative is hereby authorized, to the extent deemed necessary or advisable thereby, in the discretion thereof, to request that the Attorney General approve the Bonds, in which case the Board Representative also is authorized to request the Comptroller register the Bonds, and to cause an appropriate legend reflecting such approval and registration to appear on the Bonds and the substitute Bonds. The Board Representative is hereby authorized, in connection with the submission to the Attorney General of a transcript of proceedings for the approval of any series of the Bonds, to pay the fee for the examination of the transcript of proceedings in the amount determined in accordance with the provisions of Section 1202.004, Texas Government Code. The approving legal opinion of the Issuer's Bond Counsel and the assigned CUSIP numbers may, at the option of the Issuer, be printed on the Bonds and on any Bonds issued and delivered in exchange or replacement of any Bond, but neither shall have any legal effect, and shall be solely for the convenience and information of the registered owners of the Bonds. The preamble to this Thirty-First Supplement is hereby adopted and made a part of this Thirty-First Supplement for all purposes. The Board Representative is hereby authorized to purchase a municipal bond insurance policy from a municipal bond insurance provider that has an underlying rating of "AA" (or its equivalent) or better at the time Bonds are sold (the "Bond Insurer") as additional security for the Bonds. The printing of a legend describing the municipal bond insurance policy issued by the Bond Insurer is hereby authorized. The payment of the premium to the Bond Insurer in consideration for the issuance of said policy, should one be so obtained, is hereby approved. Any insurance commitment issued by the Bond Insurer shall be made a part hereof for all purposes. In addition, it is agreed that should such policy be obtained, the Board will comply with the conditions applicable to the Bonds, as set forth in any insurance commitment issued by the Bond Insurer, as if such conditions were incorporated in this Thirty-First Supplement, and will pay to the Paying Agent/Registrar for the Bonds so insured the debt service due on the Bonds so insured by the Bond Insurer not later than one Business Day prior to each principal or interest payment date of the Bonds. In the event such policy is obtained, the Board Representative is hereby authorized to execute any agreements with the Bond Insurer in connection with the issuance of the municipal bond insurance policy. In the event such policy is obtained, the Board Representative is hereby instructed to provide notice to the Bond Insurer in the event such payment is not made to the Paying Agent/Registrar on or before the Business Day before the scheduled principal or interest payment date; failure to make such payment to the Paying Agent/Registrar on or before the Business Day before the scheduled principal or interest payment date shall not constitute a default under the terms of this Thirty-First Supplement.

**Section 19. COMPLIANCE WITH RULE 15c2-12.** (a) *Annual Reports.* The Board shall provide annually to the MSRB, within six months after the end of each fiscal year ending in or after 2023, financial information and operating data with respect to the Board of the general type provided in accordance with the terms of the Twenty-Ninth Supplement. Promptly after filing such information with the MSRB, a copy of the information filed with the MSRB also shall be provided to

a Purchaser in a format acceptable to the Purchaser, with respect to Bonds sold as a private placement. If the Board changes its Fiscal Year, it will notify the MSRB of the change (and of the date of the new Fiscal Year end) prior to the next date by which the Board otherwise would be required to provide financial information and operating data pursuant to this Section. The financial information and operating data to be provided pursuant to this Section may be set forth in full in one or more documents or may be included by specific reference to any document (including an official statement or other offering document, if it is available from the MSRB) that theretofore has been provided to the MSRB or filed with the SEC. All filings shall be made electronically, in the format specified by the MSRB.

(b) ***Disclosure Event Notices.*** The Board shall notify the MSRB, in a timely manner not in excess of ten Business Days after the occurrence of any of the following events, notice of any of the following events with respect to the Bonds:

1. Principal and interest payment delinquencies;
2. Non-payment related defaults, if material;

5. Substitution of credit or liquidity providers, or their failure to perform;
6. Adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the Bonds, or other events affecting the tax status of the Bonds;
7. Modifications to rights of holders of the Bonds, if material;
8. Bond calls, if material, and tender offers;
9. Defeasances;
10. Release, substitution, or sale of property securing repayment of the Bonds, if material;
11. Rating changes;
12. Bankruptcy, insolvency, receivership or similar event of the Board;
13. The consummation of a merger, consolidation, or acquisition involving the Board or the sale of all or substantially all of the assets of the University System, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material;
14. Appointment of a successor Paying Agent/Registrar or change in name of the Paying Agent/Registrar, if material;

16. Default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a Financial Obligation of the Board, any of which reflect financial difficulties.

The Board shall notify the MSRB, in a timely manner, of any failure by the Board to provide financial information or operating data in accordance with subsection (b) of this Section by the time required by subsection (a) of this Section.

As used in clause 12 above, the phrase "bankruptcy, insolvency, receivership or similar event" means the appointment of a receiver, fiscal agent or similar officer for the University System in a

proceeding under the U.S. Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the University System, or if jurisdiction has been assumed by leaving the Board and officials or officers of the University System in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the University System.

As used in clauses 15 and 16 above, the term "Financial Obligation" means: (i) a debt obligation; (ii) a derivative instrument entered into in connection with, or pledged as security or a source of payment for, an existing or planned debt obligation; or (iii) a guarantee of (i) or (ii), however, the term Financial Obligation shall not include Municipal Securities as to which a final official statement has been provided to the MSRB consistent with the Rule; the term "Municipal Securities" means securities which are direct obligations of, or obligations guaranteed as to principal or interest by, a state or any political subdivision thereof, or any agency or instrumentality of a state or any political subdivision thereof, or any municipal corporate instrumentality of one or more states and any other Municipal Securities described by Section 3(a)(29) of the Securities Exchange Act of 1934, as the same may be amended from time to time; and the term "Obligated Person" means the University System.

(c) ***Limitations, Disclaimers, and Amendments.*** (i) The Board shall be obligated to observe and perform the covenants specified in this Section for so long as, but only for so long as, the Board remains an "obligated person" with respect to the Bonds within the meaning of the Rule, except that the Board in any event will give notice of any deposit made in accordance with this Thirty-First Supplement or applicable law that causes the Bonds no longer to be Outstanding.

(ii) The provisions of this Section are for the sole benefit of the registered owners and beneficial owners of the Bonds, and nothing in this Section, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The Board undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Section and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the Board's financial results, condition, or prospects or hereby undertake to update any information provided in accordance with this Section or otherwise, except as expressly provided herein. The Board does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell Bonds at any future date.

(iii) UNDER NO CIRCUMSTANCES SHALL THE BOARD BE LIABLE TO THE REGISTERED OWNER OR BENEFICIAL OWNER OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE BOARD, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS SECTION, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE.

(iv) No default by the Board in observing or performing its obligations under this Section shall comprise a breach of or default under this Thirty-First Supplement for purposes of any other

provision of this Thirty-First Supplement. Nothing in this Section is intended or shall act to disclaim, waive, or otherwise limit the duties of the Board under federal and state securities laws.

(v) Should the Rule be amended to obligate the Issuer to make filings or provide notices to entities other than the MSRB, the Issuer agrees to undertake such obligation in accordance with the Rule, as amended.

(vi) The provisions of this Section may be amended by the Board from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the Board, but only if (1) the provisions of this Section, as so amended, would have permitted an underwriter to purchase or sell Bonds in the primary offering of the Bonds in compliance with the Rule, taking into account any amendments or interpretations of the Rule since such offering as well as such changed circumstances and (2) either (a) the registered owners of a majority in aggregate principal amount (or any greater amount required by any other provision of this Thirty-First Supplement that authorizes such an amendment) of the Bonds then outstanding consent to such amendment or (b) a person that is unaffiliated with the Board (such as nationally-recognized bond counsel) determined that such amendment will not materially impair the interest of the registered owners and beneficial owners of the Bonds. If the Board so amends the provisions of this Section, it shall include with any amended financial information or operating data next provided in accordance with subsection (a) of this Section an explanation, in narrative form, of the reason for the amendment and of the impact of any change in the type of financial information or operating data so provided. The Board may also amend or repeal the provisions of this continuing disclosure agreement if the SEC amends or repeals the applicable provision of the Rule or a court of final jurisdiction enters judgment that such provisions of the Rule are invalid, but only if and to the extent that the provisions of this sentence would not prevent an underwriter from lawfully purchasing or selling Bonds in the primary offering of the Bonds.

**Section 20. FURTHER PROCEDURES; OFFICIAL STATEMENT.** Each Board Representative, and all other officers, employees, and agents of the Board, and each of them, shall be and they are hereby expressly authorized, empowered, and directed from time to time and at any time to do and perform all such acts and things and to execute, acknowledge, and deliver in the name and under the corporate seal and on behalf of the Issuer all such instruments, whether herein mentioned, as may be necessary or desirable in order to carry out the terms and provisions of this Thirty-First Supplement, the Bonds, the sale and delivery of the Bonds and fixing all details in connection therewith, to prepare the Bidding Instructions and Official Bid Form, in the case of Bonds sold through a competitive sale, and to approve any Official Statement, or supplements thereto, in connection with the Bonds. Any final Official Statement relating to the offering of any series of Bonds, either through a competitive sale or a negotiated sale conducted as a public underwriting, shall be approved by the Board Representative. The Board Representative is authorized to approve any supplement to the Official Statement incorporating the information contained in the Bond Purchase Agreement, in the case of a negotiated sale conducted as a public underwriting, and the Bidding Instructions and Official Bid Form, in the case of a competitive sale, and such additional information as deemed material consistent with the requirements of the Rule and to authorize the distribution of any such final Official Statement to the initial purchasers of the Bonds for their use in the sale of the Bonds to members of the general public. The use of any such final Official Statement in the offer and sale of the Bonds is hereby approved. In case any officer whose signature shall appear on the Bonds shall cease to be such officer before the delivery of the Bonds, such signature shall nevertheless be valid and sufficient for all purposes the same as if such officer had remained in office until such delivery.

Section 21. **REFUNDING.** (a) ***Refunded Bonds.*** The principal amount of Bonds, if any, issued to refund all or any portion of the Refundable Bonds, and the Refunded Bonds to be refunded, shall be specifically identified in the certificate described in Section 3(b)(i) hereof. The Board Representative, acting for and on behalf of the Board, may elect not to refund any or all of the Refundable Bonds, but in no event shall the Bonds be issued for the purpose of refunding Refunded Bonds if the refunding of the aggregate principal amount of the obligations selected for refunding does not result in the minimum amount of savings established in Section 2(c) hereof being achieved. Should Bonds be sold for the purpose of refunding the Refunded Bonds, on or before the date of delivery of the Bonds the Board Representative shall execute and deliver to the Board a certificate stating that minimum amount of net present value savings and gross savings resulting from the refunding of the Refunded Bonds herein established has been exceeded. The determination of the Board Representative, acting for and on behalf of the Board, relating to the issuance and sale of Bonds to refund Refunded Bonds in such principal amount as provided in the certificate to be executed by the Deputy Chancellor for Finance and Operations of the University System as described in Section 3(b)(i) hereof shall have the same force and effect as if such determination were made by the Board. The Board Representative is hereby directed to effect the prior redemption of any of the Refundable Bonds, and the redemption date or dates for the Refunded Bonds shall be set forth in the certificate to be executed by the Deputy Chancellor for Finance and Operations of the University System as described in Section 3(b)(i) hereof.

(b) ***Refunded Commercial Paper Notes.*** The principal amount of Bonds, if any, issued to refund Refunded Commercial Paper Notes shall be specifically identified in a certificate to be executed by either the Deputy Chancellor for Finance and Operations for the University System or the Associate Vice Chancellor for Treasury in accordance with the provisions of Section 2(d) of this Thirty-First Supplement. The Refunded Commercial Paper Notes are being refunded to convert interim financing into long-term fixed rate financing, as contemplated by the Board in the operation of the interim financing program for the University System. Therefore, the manner in which the refunding of the Refunded Commercial Paper Notes is being executed by the Board does not make it practicable to make the determinations required by subsection (a) of Section 1207.008, Texas Government Code. Concurrently with the delivery of such Bonds, proceeds in the amount of the principal amount of the Refunded Commercial Paper Notes that are to be refunded and interest thereon with a portion of the proceeds from the sale of the Bonds shall be deposited to the credit of the designated account or accounts within the "Note Payment Fund", established in accordance with the provisions of the Tenth Supplement, with respect to the Series A Commercial Paper Notes, and the Twenty-Fourth Supplement, with respect to the Series B Commercial Paper Notes, to refund those Refunded Commercial Paper Notes designated by the Deputy Chancellor for Finance and Operations for the University System or the Associate Vice Chancellor for Treasury to be refunded and retired with a portion of the proceeds of Bonds. The determination of the Deputy Chancellor for Finance and Operations for the University System or the Associate Vice Chancellor for Treasury, acting for and on behalf of the Board, relating to the issuance and sale of Bonds to refund Refunded Commercial Paper Notes shall have the same force and effect as if such determination were made by the Board.

Section 22. **ESCROW AGREEMENT.** The Board shall cause to be deposited with the Escrow Agent, from the proceeds received from the sale of the Bonds sold for such purpose and other available moneys of the Board, an amount sufficient to provide for the refunding of the Refunded Bonds in accordance with Chapter 1207, Texas Government Code, to the extent Bonds are sold for such purpose. The Deputy Chancellor for Finance and Operations for the University System

is hereby authorized, for and on behalf of the Board, to execute and deliver the Escrow Agreement to accomplish the establishing of firm banking arrangements in connection with the refunding of the Refunded Bonds, in the standard form previously approved by the Board, with such changes as the Deputy Chancellor for Finance and Operations for the University System deems necessary to effect the sale of the Bonds issued for such purpose, and to take such other actions on behalf of the Board to effect the sale of the Bonds issued for such purpose, including, without limitation, causing the redemption of the Refunded Bonds in accordance with the terms of the Supplement authorizing their issuance.

Section 23. **REDEMPTION OF REFUNDED COMMERCIAL PAPER NOTES.** The Board authorizes a Board Representative, acting in accordance with the terms of the Twenty-Fourth Supplement, to cause the Series B Commercial Paper Notes refunded with proceeds of Bonds to be redeemed prior to their stated Extended Maturity Date (as such term is defined in the Twenty-Fourth Supplement), at a price of no less than par plus accrued interest, if any, to the date fixed for redemption.

Section 24. **DTC LETTER OF REPRESENTATION.** The previous execution and delivery of the DTC Blanket Letter of Representations with respect to obligations of the Board is hereby ratified and confirmed; and the provisions thereof shall be fully applicable to the Bonds.

Section 25. **COMPLIANCE WITH SECTION 2252.908, GOVERNMENT CODE.** A Board Representative shall confirm that, to the extent required by Section 2252.908, Texas Government Code, each contracting party in connection with the issuance of Bonds either has made disclosure filings to the Texas Ethics Commission in accordance with Section 2252.908, Texas Government Code, or represents to the Board Representative that it is exempt from making such disclosure filings under Section 2252.908(c)(4), Texas Government Code. Within thirty (30) days of receipt of the disclosure filings from the contracting party, the Board Representative will submit a copy of the disclosure filings with the Texas Ethics Commission.

Section 26. **REPEAL OF CONFLICTING RESOLUTIONS.** All resolutions and all parts of any resolutions (other than the Master Resolution) which are in conflict or inconsistent with this Thirty-First Supplement, are hereby repealed and shall be of no further force or effect to the extent of such conflict or inconsistency.

Section 27. **RULES OF CONSTRUCTION.** For all purposes of this Thirty-First Supplement, unless the context requires otherwise, all references to designated Sections and other subdivisions are to the Sections and other subdivisions of this Thirty-First Supplement. The words "herein", "hereof" and "hereunder" and other words of similar import refer to this Thirty-First Supplement as a whole and not to any particular Section or other subdivision. Except where the context otherwise requires, terms defined in this Thirty-First Supplement to impart the singular number shall be considered to include the plural number and vice versa. References to any named person means that party and its successors and assigns. References to any constitutional, statutory or regulatory provision means such provision as it exists on the date this Thirty-First Supplement is adopted by the Board and any future amendments thereto or successor provisions thereof. Any reference to the payment of principal in this Thirty-First Supplement shall be deemed to include the payment of mandatory sinking fund redemption payments. Any reference to "FORM OF BONDS" shall refer to the form of the Bonds set forth in Exhibit B to this Thirty-First Supplement. References to the Deputy Chancellor for Finance and Operations for the University System and the Associate

Vice Chancellor for Treasury shall mean the person holding that position at the time Bonds are sold, whether acting, interim, or permanent.

Section 28. **PUBLIC NOTICE.** It is hereby found and determined that each of the officers and members of the Board was duly and sufficiently notified officially and personally, in advance, of the time, place, and purpose of the meeting at which this Thirty-First Supplement was adopted; that this Thirty-First Supplement would be introduced and considered for adoption at said meeting; and that said meeting was open to the public, and public notice of the time, place, and purpose of said meeting was given, all as required by Chapter 551, Texas Government Code.

THIS BOND is one of a Series of Bonds, dated as of the Date of Delivery, authorized in accordance with the Constitution and laws of the State of Texas in the aggregate principal amount of \$\_\_\_\_\_, issued pursuant to a Thirty-First Supplemental Resolution to the Master Resolution adopted August 18, 2023, and pursuant to the Master Resolution referred therein (collectively, the "Bond Resolution"), FOR THE PURPOSE OF (i) ACQUIRING, PURCHASING, CONSTRUCTING, IMPROVING, RENOVATING, ENLARGING OR EQUIPPING PROPERTY, BUILDINGS, STRUCTURES, FACILITIES, ROADS, OR RELATED INFRASTRUCTURE FOR PARTICIPANTS IN THE REVENUE FINANCING SYSTEM, (ii) FUNDING, TO THE EXTENT PERMITTED BY APPLICABLE LAW, CAPITALIZED INTEREST ON THE BONDS, (iii) REFUNDING THE REFUNDABLE BONDS, (iv) REFUNDING ANY OUTSTANDING COMMERCIAL PAPER NOTES, AND (v) PAYING THE COSTS OF ISSUANCE RELATED TO THE SALE OF THE BONDS. Terms used herein and not otherwise defined have the meaning given in the Bond Resolution.

ON APRIL 15, 20\_\_\_, or on any date thereafter, the Bonds of this Series maturing on and after April 15, 20\_\_\_ may be redeemed prior to their scheduled maturities, at the option of the Issuer, with funds derived from any available and lawful source, as a whole, or in part, and, if in part, the particular Bonds, or portions thereof, to be redeemed shall be selected and designated by the Board (provided that a portion of a Bond may be redeemed only in an integral multiple of \$5,000), at par and accrued interest to the date fixed for redemption; provided, that during any period in which ownership of the Bonds is determined only by a book entry at a securities depository for the Bonds, if fewer than all of the Bonds of the same maturity and bearing the same interest rate are to be redeemed, the particular Bonds of such maturity and bearing such interest rate shall be selected in accordance with the arrangements between the Board and the securities depository.

THE BONDS maturing on April 15 in each of the years 20\_\_\_ and 20\_\_\_ are subject to mandatory sinking fund redemption prior to their scheduled maturity and shall be redeemed by the Board, in part, prior to their scheduled maturity, with the particular Bonds or portions thereof to be redeemed to be selected and designated by the Board (provided that a portion of a Bond may be redeemed only in an integral multiple of \$5,000), at a redemption price equal to the par or principal

amount thereof plus accrued interest to the date of redemption, on the dates, and in the principal amounts set forth below:

<u>Bonds Maturing April 15, 20</u>	
<u>Redemption Date</u> <u>(April 15)</u>	<u>Principal</u> <u>Amount (\$)</u>

<u>Bonds Maturing April 15, 20</u>	
<u>Redemption Date</u> <u>(April 15)</u>	<u>Principal</u> <u>Amount (\$)</u>

\*Scheduled Maturity

The principal amount of the Bonds required to be redeemed on each such redemption date pursuant to the foregoing operation of the mandatory sinking fund shall be reduced, at the option of the Issuer, by the principal amount of any Bonds, which, at least 45 days prior to the mandatory sinking fund redemption date, (1) shall have been acquired by the Issuer and delivered to the Paying Agent/Registrar for cancellation, or (2) shall have been acquired and canceled by the Paying Agent/Registrar at the direction of the Issuer, in either case at a price not exceeding the par or principal amount of such Bonds, or (3) have been redeemed pursuant to the optional redemption provisions set forth above and not theretofore credited against mandatory sinking fund redemption. During any period in which ownership of the Bonds is determined by a book entry at a securities depository for the Bonds, if fewer than all of the Bonds of the same maturity and bearing such interest rate are to be redeemed, the particular Bonds of such maturity and bearing such interest rate shall be selected in accordance with the arrangements between the Issuer and the securities depository.

AT LEAST 30 days prior to the date fixed for any redemption of Bonds or portions thereof prior to maturity a written notice of such redemption shall be sent by the Paying Agent/Registrar by United States mail, first-class postage prepaid, at least 30 days prior to the date fixed for any such redemption, to the registered owner of each Bond to be redeemed at its address as it appeared on the Registration Books on the 45th day prior to such redemption date. By the date fixed for any such redemption due provision shall be made with the Paying Agent/Registrar for the payment of the required redemption price for the Bonds or portions thereof which are to be so redeemed. If such written notice of redemption is published and if due provision for such payment is made, all as provided above, the Bonds or portions thereof which are to be so redeemed thereby automatically shall be treated as redeemed prior to their scheduled maturities, and they shall not bear interest after the date fixed for redemption, and they shall not be regarded as being outstanding except for the right of the registered owner to receive the redemption price from the Paying Agent/Registrar out of the funds provided for such payment. If a portion of any Bond shall be redeemed a substitute Bond or Bonds having the same maturity date, bearing interest at the same rate, in any denomination or

denominations in any integral multiple of \$5,000, at the written request of the registered owner, and in aggregate principal amount equal to the unredeemed portion thereof, will be issued to the registered owner upon the surrender thereof for cancellation, at the expense of the Board, all as provided in the Bond Resolution.

WITH RESPECT TO any optional redemption of this Bond, unless the Paying Agent/Registrar has received funds sufficient to pay the principal and premium, if any, and interest on this Bond to be redeemed before giving of a notice of redemption, the notice of redemption may state the Issuer may condition redemption on the receipt by the Paying Agent/Registrar of such funds on or before the date fixed for the redemption, or on the satisfaction of any other prerequisites set forth in the notice of redemption. If a conditional notice of redemption is given and such prerequisites to the redemption and sufficient funds are not received, the notice shall be of no force and effect, the Issuer shall not redeem this Bond and the Paying Agent/Registrar shall give notice, in the manner in which the notice of redemption was given, that this Bond has not been redeemed.

IF THE DATE for the payment of the principal of or interest on this Bond shall be a Saturday, Sunday, a legal holiday, or a day on which banking institutions in The City of New York, New York, or in the city where the Designated Trust Office of the Paying Agent/Registrar is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not such a Saturday, Sunday, legal holiday, or day on which banking institutions are authorized to close; and payment on such date shall have the same force and effect as if made on the original date payment was due.

THIS BOND OR ANY PORTION OR PORTIONS HEREOF IN ANY AUTHORIZED DENOMINATION may be assigned and shall be transferred only in the Registration Books of the Issuer kept by the Paying Agent/Registrar acting in the capacity of registrar for the Bonds, upon the terms and conditions set forth in the Bond Resolution. Among other requirements for such assignment and transfer, this Bond must be presented and surrendered to the Paying Agent/Registrar, together with proper instruments of assignment, in form and with guarantee of signatures satisfactory to the Paying Agent/Registrar, evidencing assignment of this Bond or any portion or portions hereof in any authorized denomination to the assignee or assignees in whose name or names this Bond or any such portion or portions hereof is or are to be transferred and registered. The form of Assignment printed or endorsed on this Bond shall be executed by the registered owner or its duly authorized attorney or representative, to evidence the assignment hereof. A new Bond or Bonds payable to such assignee or assignees (which then will be the new registered owner or owners of such new Bond or Bonds), or to the previous registered owner in the case of the assignment and transfer of only a portion of this Bond, may be delivered by the Paying Agent/Registrar in exchange for this Bond, all in the form and manner as provided in the next paragraph hereof for the exchange of other Bonds. The Issuer shall pay the Paying Agent/Registrar's fees and charges, if any, for making such transfer or exchange as provided below, but the one requesting such transfer or exchange shall pay any taxes or other governmental charges required to be paid with respect thereto. The Paying Agent/Registrar shall not be required to make transfers of registration or exchange of this Bond or any portion hereof (i) during the period commencing with the close of business on any Record Date and ending with the opening of business on the next following principal or interest payment date, or, (ii) with respect to any Bond or any portion thereof called for redemption prior to maturity, within 45 days prior to its redemption date. The registered owner of this Bond shall be deemed and treated by the Issuer and the Paying Agent/Registrar as the absolute owner hereof for all purposes, including payment and discharge of liability upon this Bond to the extent of such payment, and, to the extent

permitted by law, the Issuer and the Paying Agent/Registrar shall not be affected by any notice to the contrary.

ALL BONDS OF THIS SERIES are issuable solely as fully registered bonds, without interest coupons in the denomination of any integral multiple of \$5,000 (an "Authorized Denomination"). As provided in the Bond Resolution, this Bond, or any unredeemed portion hereof, may, at the request of the registered owner or the assignee or assignees hereof, be exchanged for a like aggregate principal amount of fully registered bonds, without interest coupons, payable to the appropriate registered owner, assignee, or assignees, as the case may be, having the same maturity date, in the same form, and bearing interest at the same rate, in any Authorized Denomination as requested in writing by the appropriate registered owner, assignee, or assignees, as the case may be, upon surrender of this Bond to the Paying Agent/Registrar for cancellation, all in accordance with the form and procedures set forth in the Bond Resolution.

WHENEVER the beneficial ownership of this Bond is determined by a book entry at a securities depository for the Bonds, the foregoing requirements of holding, delivering, or transferring this Bond shall be modified to require the appropriate person or entity to meet the requirements of the securities depository as to registering or transferring the book entry to produce the same effect.

IN THE EVENT any Paying Agent/Registrar for the Bonds is changed by the Issuer, resigns, or otherwise ceases to act as such, the Issuer has covenanted in the Bond Resolution that it promptly will appoint a competent and legally qualified substitute therefor, and promptly will cause written notice thereof to be mailed to the registered owners of the Bonds.

IT IS HEREBY certified, recited, and covenanted that this Bond has been duly and validly authorized, issued, and delivered; that all acts, conditions, and things required or proper to be performed, exist, and be done precedent to or in the authorization, issuance, and delivery of this Bond have been performed, existed, and been done in accordance with law; that the Series of Bonds of which this Bond is one constitute Parity Obligations under the Master Resolution; and that the interest on and principal of this Bond, together with the other Bonds of this Series and the other outstanding Parity Obligations, are equally and ratably secured by and payable from a lien on and pledge of the Pledged Revenues.

THE ISSUER has reserved the right, subject to the restrictions referred to in the Bond Resolution, (i) to issue additional Parity Obligations which also may be secured by and made payable from a lien on and pledge of the aforesaid Pledged Revenues, in the same manner and to the same extent as this Bond, and (ii) to amend the provisions of the Bond Resolution under the conditions provided in the Bond Resolution.

THE REGISTERED OWNER hereof shall never have the right to demand payment of this Bond or the interest hereon out of any funds raised or to be raised by taxation or from any source whatsoever other than specified in the Bond Resolution.

BY BECOMING the registered owner of this Bond, the registered owner thereby acknowledges all of the terms and provisions of the Bond Resolution, agrees to be bound by such terms and provisions, acknowledges that the Bond Resolution is duly recorded and available for inspection in the official minutes and records of the Issuer, and agrees that the terms and provisions of this Bond and the Bond Resolution constitute a contract between each registered owner hereof and the Issuer.
